OK FUNDING FOR AT

FOREWORD

OK FUNDING for AT: A Guide to Solving the Funding Puzzle and Getting Assistive Technology in Oklahoma is a collection of program information for use by individuals with disabilities, their families, advocates and service providers. We hope this “funding guide” will assist you in your search for funding, make the process easier and aid you in getting the assistive technology you need.

The information contained in this guide is the most current. However, it is subject to change at any time. Thus, new information will be contained in future editions of *OK FUNDING for AT*.

This guide describes possible public and private sources of funding and strategies to obtain funding for assistive technology from these sources. It is well organized and designed to be simple to use. It is our hope that *OK FUNDING for AT* will be used to help individuals understand public programs and to assist in identifying potential funding sources. Please share your experiences with us and with others.

We have verified all the sources contained in this guide. However, if you know of other funding sources that are not included in the guide, contact us so we can include this information in our updates. If you have questions during the process of obtaining funding, or know of any information in this guide that needs to be changed or added, call us at the number(s) listed.

Please share your successes and experiences with us and submit copies of your requests for funding so that we can assist others in acquiring assistive technology.
