

National Multiple Sclerosis Society (NMSS)

Purpose

The National Multiple Sclerosis Society addresses the challenges of each person affected by MS. To fulfill this mission, the Society funds cutting-edge research, drives change through advocacy, facilitates professional education, collaborates with MS organizations around the world, and provides programs and services designed to help people with MS and their families move forward with their lives. The National MS Society provides information and referral services for people with multiple sclerosis (MS) and their families. The National MS Society offers a financial assistance program for members who need to purchase, repair or upgrade durable medical equipment.
