## PIECES OF THE PUZZLE

- TCCRH partners with Oklahoma ABLE Tech to provide an assistive technology device demonstration center and short-term equipment loan program. The demonstration center can assist a person or small group of individuals the opportunity to explore one or more assistive technology devices to assist in the decision-making process about device purchase or utilization. The short-term loan program provides the opportunity to borrow assistive technology devices to help individuals make an informed decision before purchasing, ensure compatibility between the device and user, have back-up equipment while waiting for repairs, or have a device while waiting for new equipment. ABLE Tech devices improve quality of life and help restore independence.
