

# MEDICAID - MEDICALLY FRAGILE WAIVER

## Oklahoma Living Choice Project Oklahoma Health Care Authority

### PURPOSE

The Medically Fragile Waiver provides services which allow Medicaid eligible persons who need hospital and/or skilled nursing facility level of care to remain at home or in the residential setting of their choosing while receiving the necessary care. The Medically Fragile Program is a home and community-based alternative to placement in a hospital and/or skilled nursing facility to receive Medicaid-funded assistance for care. This waiver also incorporates self-direction opportunities for a specified group of services as a service delivery mechanism.

2. In order to file an appeal, the member files a LD-1 form within 20 days of the triggering event. The triggering event occurs at the time when the member knew or should have known of such condition or circumstance for appeal. The staff advises the Appellant that if there is a need for assistance in reading or completing the grievance form, arrangements will be made.
3. If the LD-1 form is not received within 20 days of the triggering event or if the form is not completely filled out with all necessary documentation, OHCA sends the Appellant a letter stating the appeal will not be heard.
4. Upon receipt of the member's appeal, a Fair Hearing before the Administrative Law Judge (ALJ) will be scheduled. The member will be notified in writing of the date and time for this procedure. The member must appear at this hearing. The ALJ's decision may be appealed to the CEO, which is a record review at which the parties do not appear.
